1. The CMCC Board of Governors (the “Board”) is responsible for the appointment and oversight of the CMCC President and for ensuring that the authority and responsibilities of the President are transferred appropriately if the position is:
 - a. temporarily vacated due to either unplanned circumstance (e.g. health, family leave) or planned circumstance (e.g. vacation, personal leave); or
 - b. permanently vacated due to incapacitation, sudden loss, resignation, termination or retirement.
2. The President shall ensure that there is an efficient transition to an Administrator In Charge or Acting President, as appropriate, if the President position is temporarily vacated. It is expected that the President recruit and develop talent at the executive administration level of the institution to allow for continued effective leadership.
3. On an annual basis, the President shall provide to the Board Chair, Executive Leadership Team, and the Director, Human Resources and Employee Engagement an updated *Line of Authority in the Absence of the President* directive establishing a temporary succession plan for the office of the President.
4. For temporary, short-term leaves of the President lasting up to two weeks, including vacations, personal leave, or CMCC-related travel that impairs

communication with the President, an Administrator In Charge shall be designated by the President. For these short periods, the Administrator In Charge does not assume the title of Acting President, but shall temporarily assume the President's responsibilities and authority for daily operations, campus communications and leadership of the Executive Leadership Team.

5. For leaves of the president in excess of two weeks, there will be a designated Administrator In Charge or an Acting President, depending on the nature of the leave and the expected level of communication with the President.
 - a. For planned leaves, the President will appoint either an Administrator In Charge or Acting President from the hierarchy stipulated in the President's annual directive on the *Line of Authority in the Absence of the President*.
 - b. For unplanned leaves anticipated to be in excess of two weeks, an Acting President shall assume the role from the hierarchy stipulated in the President's annual directive on the *Line of Authority in the Absence of the President*, absent any action to the contrary by the Board Chair. An Acting President shall have the authority to act on behalf of the President within limits established by the President and/or Board Chair and as further described in the procedures section of this policy.
6. All administrators listed in the line of authority are to be knowledgeable and current on CMCC policies and key issues that impact the institution.
7. If the President's position becomes permanently vacant through termination, resignation, or retirement, it is the responsibility of the Board of Governors, in consultation with the executive administration, to appoint an Interim President to serve until a search committee has finished its work and a new President has been appointed.
8. The Board reserves the right to appoint an individual not in the line of succession to be Acting or Interim President. Circumstances may arise where the Board may appoint an Acting President that supersedes the line of succession outlined in the annual President's Line of Authority directive. The Board may select either an internal or external candidate to serve as Acting or Interim President.
9. Nothing in this Policy shall diminish or otherwise authorize the Administrator in Charge or an Acting or Interim President to take any actions which are exclusive to the Board of Governors or not otherwise authorized to the Office of the President.
10. Planned or unanticipated vacancy positions at the level of Director or above are to be filled with appropriately qualified and experienced individuals as soon as possible.

2. PURPOSE
